Please note, check lead time before ordering, some finishes may require a few weeks to prepare.

Add finish code to end of product code.

Polished Stainless Chrome | Code: C

The most popular of our range is the Polished Stainless Chrome. With the beauty of a Chrome finish that will never chip or flake and will last a lifetime. The marine grade stainless steel has been polished to a Chrome finish reflection.

Matte Black | Code: MB

A sleek, dark finish that provides a strong contrast to lighter surfaces and a warmer touch compared to metal finishes. The ever popular Matt Black matches leading bathroom tap ware finishes.

Brushed Gold | Code: BG

The brushed warm 18 Carat Golden tones create a stunning warm appearance.

Brushed Brass | Code: BB or LB

Warm up the bathroom with the lux Brushed Brass finish. This popular soft champagne like finish comes in living naturally ageing brass or clear coated. The living Brass can be re-brushed or polished to retain the original look or left to age naturally. Uncoated Brass has anti microbial properties that continuously kill bacteria and viruses as it changes colour making it perfect for bathroom settings.

Gunmetal | Code: GM

The shadowy charcoal offers a lighter matte finish.

Brushed Nickel | Code: BN

A warm Grey textured appearance offering a subtle matte look. This natural finish gives the identical appearance of Brushed Nickel using a stainless steel material ensuring it will last a lifetime without wearing off.

Polished Gold | Code: G

A brilliant 24 ct touch to make any room feel like royalty

Mix and Match | Code: Custom

We can create a range of bespoke options for you. Other finishes including Bronze, Brushed Chrome, Pearl Black, Antique Brass or a mix of finishes for Grab Rails are available on request.
